Events and Festivals Maluku 2019

Teluk Jailolo Festival

April 2019

This annual event aims to promote the culture of the area which is famous for its spices and an abundance of natural resources. The festival includes several events such as the Culinary Fiesta where a fish barbecue party is taking place. Other activities include diving and underwater photography, the Sigofi Ngolo ritual which is a sacred ritual of giving offerings to the nature and Sasadu on the Sea which is a traditional dance and art with traditional music performance.

Location: Western Halmahera

Teluk Ambon Festival

Last Days of September
2019

This festival includes several competitions such as the Manggarube Arubae which is a traditional boat competition. 31 are sitting in a traditional boat and give their best. Another part of the festival is the swimming competition which begins at the Ambon Bay and ends at the south end of Ambon.

Location: Ambon
